

Who We Are

The Community Computer and Employment Resource Center is grant-funded through the American Recovery and Reinvestment Act Broadband Technology Opportunity Program Award. It is a partnership of the Plattsburgh Public Library with the North Country Workforce Partnership, Inc.

We aim to help individuals improve computer literacy and increase their marketability for jobs by providing access to high-speed broadband services

Need to brush up on your skills?

As we head into the 21st century, computers have completely changed the way companies do business. Now more than ever, it's important to employers that their workers possess basic computer skills! We'll help you gain the knowledge and skills that you need to keep up with an increasingly technical environment. Don't be left behind!

We offer workshops daily that can help you improve your skills. Let us give you an introduction to each program in one of our workshops. We also offer personalized, one-on-one assistance. Simply schedule an appointment! And best of all, it's at absolutely no cost to you!
